

## G10022 Montante | MILK FROTHER

### ► DESCRIPTION

The electric milk frother Montante offers you the ability to mount both hot and cold milk, so perfect for topping up the iced coffee or a cocktail, as well as to prepare a perfect cappuccino or a creamy hot chocolate. Suitable for mounting low-fat, soy or almond milk, Montante is also equipped with a standard warm function, for preparing fast Lattecaldo, tea and herbal teas, which will be ready in a minute! The non-stick container is also detachable from the unit for an easy daily cleaning.
