

## G10305 Bel Amí | KETTLE

### ► DESCRIPTION

With 1.7 liters of capacity and 2200 Watts of power, Bel Amí can boil water in a few seconds and the faster than the microwave. This kettle is equipped with a hidden internal heating element, so there is no way to find hard to remove limescale deposits inside the boiler. The lid can be opened by a button on the handle making it very comfortable all the operations of filling or cleaning. Equipped with removable filter on the spout to ensure filtered purest water, Bel Amí is also equipped with automatic shut-off for maximum safety, a device of protection against accidental starting, power light and comfortable heat resistant handle. The 360° swivel power base ensures a comfortable use with both hands.
