

G20033 Citrus | CITRUS JUICER

► DESCRIPTION

Citrus is ideal for the preparation of smooth juices. Thanks to the double cup, it can squeeze citrus of various sizes very easily. The big cup is suitable for large citrus or grapefruits, the small one for smaller citrus. The removable container may be placed in the refrigerator to cool the juice or it can be used as a carafe for serving. The small size makes Citrus very easy to store and easy to use, the perfect solution for small-medium quantities of juice.
