

G10051 Conservo | FOOD DEHYDRATOR

► DESCRIPTION

Food dehydrator Conservo is ideal to dehydrate fruits, vegetables, spices and meat in a natural and traditional way, without additives and keeping intact all the nutritional properties of food. Designed to achieve greater energy efficiency due to the reduction of working times, thanks to its structure and the large fan, Conservo is able to guarantee a strong airflow and a better internal ventilation. Drying times considerably reduced with amazing results with Conservo by G3 Ferrari!
