

G40009 Powervap | FERRO DA STIRO A VAPORE

► DESCRIPTION

Ironing is easier with Powervap, thanks to its 2,400 watts of pressing power, in addition to the variable steam emission. You can easily activate the spray function to moisten the tissue and simultaneously release a steam burst to quickly remove stubborn wrinkles. Equipped with super vertical steam, Powervap offers the flexibility to refresh even the upholstery, curtains or hanging garments, with the convenience of not even set up the ironing board. The stainless steel plate is made with 198 micro-holes to ensure a better distribution of the steam, the excellent tank capacity (300cc) enables a longer working time and the power cord with swivel joint allows the maximum freedom of movement.
