

G30021 Crescobene | BABY SCALE

► DESCRIPTION

CrescoBene is an electronic scale specially designed to follow your baby's growth from the early days. The high-precision sensor and the lock system ensure weighting even when your baby is moving. The wide ergonomic platform together with the tare option, which allows the use of a towel, provide the best comfort for your baby during measurement, and checking the weight will be very easy thanks to the large LCD display.
