

G20051 Succobello | CITRUS JUICER

► DESCRIPTION

Enjoy your homemade and natural healthy orange juice freshly squeezed, seedless and rich in vitamins. With Succobello you can easily squeeze citrus of different sizes with maximum efficiency thanks to the provided cones of different sizes. The container is also easily removable and it can be placed directly in the refrigerator or used as a carafe for serving. Thanks to its small size, Succobello can be left on the worktop of your kitchen or it can be completely dismantled to be conveniently stored after each use.
