

G10064 Tramezzo | TOASTER

► DESCRIPTION

Tramezzo is a modern and functional toaster with stainless steel body, capable of easily accommodate large slices of bread for the preparation of your favourite sandwiches, thanks to its extra-wide slots that make it ideal to heat bagels, muffins or your homemade bread. Equipped with auto-shutdown and defrost function for maximum ease of use, Tramezzo is equipped with timer and browning selector which allows you to set your preferred degree of cooking, function light indicators and insulated walls for maximum safety. Very quick and easy to clean, this unit has a handy crumb tray underneath its body while the two clamps are stainless steel made for maximum hygiene.
