

G30031 Carrara | ELECTRONIC PERSONAL SCALE

► DESCRIPTION

The personal bathroom scale G30031 is equipped with a large and resistant tempered glass 6mm platform, very comfortable to use and, thanks to its generous size, it is the perfect solution for the whole family. Characterized by the modern "Step On" technology, this unit turns on automatically once you climb on and shut-off by itself after a few seconds of inactivity to preserve battery life. Instant and accurate reading thanks to its latest generation weighting sensor, this unit features a double weighing scale (grams and pounds) and a wide very easy to read 3 digit LCD display which will tell you when the batteries need to be replaced.
