

G30029 Spasso | PROFESSIONAL HAIR DRYER

► DESCRIPTION

The professional hairdryer Spasso can count on a powerful 2000 watt AC motor, always ensuring top performance and guaranteed reliability over time. The two-speed and the three selectable temperatures offer 6 possible combinations of use, which are ideal for the treatment of any type of hair; moreover the emission of negative ions reduces frizzy hair and making it soft and fluffy to the comb. Available with diffuser and air concentrator, Spasso is equipped with an ergonomic handle and extra long power cord for maximum manageability.
