

G30034 TestaSTAR | PROFESSIONAL HAIR DRYER

► DESCRIPTION

Thanks to its 2100 watt AC motor, Testa Star power is able to assure an extended lifespan lasting up to 4x longer compared to a conventional hair dryer. Equipped with extra long power cable, comfortable ergonomic handle and easily accessible side controls that always ensure maximum comfort, Testa Star includes 6 combination speed / temperature to get a professional hairstyling easily at home and in a few minutes. With a convenient hook for hanging, removable rear filter for easy cleaning and featuring the cool shot function for fixing the hair, Testa Star is able to guarantee the same quality of a professional beauty salon combined with excellent manageability and ease of use.
