

G10068 Rosto 55 | ELECTRIC OVEN WITH CONVECTION AND ROTISSERIE

► DESCRIPTION

Designed to bake faster than the traditional ovens thanks to the adjustable temperature which can be set up to 300°C, Rosto 55 has a remarkable interior space, enough to comfortably prepare a 40 cm diameter pizza, or baking 2 courses simultaneously in a short time and with a low energy consumption. Provided with a rectangular baking tray, a grill and a round 40 cm tray, the oven Rosto 55 is equipped with a rotisserie set that makes it indispensable in every kitchen. Equipped with inner light, heat convection for a uniform cooking and a 90 minute timer, this unit has 4 cooking functions: top heating, grill, bottom heating and combo for maximum convenience. For a quick and easy cleaning, the oven is equipped with enamelled internal walls.
