

G90002 Magnifico | CYCLONE HAND VACUUM

► DESCRIPTION

Designed with Cyclone technology to ensure excellent results, this hand vacuum cleaner is able to effectively remove dirt and pet hair from upholstery thanks to its powerful suction. Equipped with washable anti-allergy HEPA filter, it features a large easy-grip handle that makes it very handy and easy to carry and which can be reclined for space saving. Magnifico is bagless and integrates a transparent tank to keep under control the dust and it can be easily emptied.
