

## DSWC38B01 Cellar 38 | WINE CELLAR 38 BOTTLES

### ► DESCRIPTION

Cellar 38 is ideal for keeping up to 38 of your favorite bottles of red or white wine always at the perfect temperature thanks to the electronic thermostat and LED display with soft touch switches. The door is made of insulating glass that helps to maintain the indoor temperature always constant in two zones, and the compressor cooling system provides an environment which is free of vibrations, perfect for all types of wine. Equipped with 4 chrome-plated racks with wooden face, Cellar 38 also features a soft interior light to check the bottles at any time.
