

## G10080 Cosmo 30 | ELECTRIC OVEN WITH CONVECTION

### ► DESCRIPTION

The electric oven Cosmo 30 is made with a special rear bumper to improve its interior dimensions; thanks to its 30 litre capacity, with Cosmo 30 you can easily cook two courses together: you can prepare a side dish for 3-4 people and delicious fish or meat at the same time, or toast bread and bake the pizza in the baking pan thanks to its large internal dimensions that allow it to comfortably accommodate a dish of 30 cm diameter. Thanks to its practical heat convection, 3 cooking functions (standard, grill and combined), high power of 1600 watts and its adjustable thermostat (100-230°C), Cosmo 30 represents the ideal solution for preparing cooked to perfection dishes in a short time, while ensuring a good energy saving compared to the traditional built-in oven.
