

## G20073 MISTER FRUIT | BLENDER

### ► DESCRIPTION

Mister Fruit is a compact blender that can be stored in very little space. It has a convenient 0.5 litre graduated jar that makes it perfect for preparing one-person portions in just a few seconds. You will not need to take out big blenders to prepare your favourite smoothies, tasty milkshakes, vegetable sauces or your morning fruits juices. Mister Fruit is able to offer you excellent performance thanks to its pulse operation, and it has been designed to ensure maximum security, guaranteed by the safety device placed under the jar that inhibits the accidental start-up.
