

G10075 Il Moro 35 | ELECTRIC OVEN WITH CONVECTION

► DESCRIPTION

Cooking your favourite dishes with Moro 35 by G3 Ferrari is fast and easy. This unit is able to combine a compact size with an excellent internal volume of 35 litres and, thanks to its special rear rounded cavity, is suitable for a 31 centimetre plate. Equipped with internal light, 60 minute timer, adjustable thermostat which can be set from 100 up to 230°C and three cooking functions (standard, grill and combo), it guarantees maximum flexibility both as an auxiliary oven and in alternative to the built-in oven. In addition with Moro 35 you will be able to cook two courses at the same time: in just a few minutes you can serve a 4 person side dish and a good meat or fish main course thanks to its practical function of heat convection which can speed up your cooking operation.
