

## G60015 MICA heating panel |

### ► DESCRIPTION

To enjoy a comfortable and warm environment for you and your family, G3Ferrari introduces the power and reliability of the heating Mica panel model G60015. Noiseless, zero oxygen consumption and less water evaporation will allow you to maintain a healthy home environment, helping you to safeguard the quality of your air: by not affecting oxygen levels and not generating carbon monoxide, the air will remain comfortable for breathing. Equipped with 3 Mica heating panels, adjustable thermostat and 2 selectable powers to customize your heating needs, this unit will guarantee you a quick heating without making your rooms dry, but always guaranteeing a proper humidity level and thanks to the infrared technology, will provide heat uniformly throughout the room.
