

## G40015 APOLLO | STEAM IRON

### ► DESCRIPTION

Steam iron G40015 features a ceramic soleplate that ensures a better gliding on all types of fabric and it allows you ironing and without any effort thanks to its steam control which can be set according to your preferences. Equipped with 360 ° swivel power cord that provides total freedom of movement, this unit is equipped with a large transparent 370cc tank which allows the water filling operation to be performed at longer intervals. With practical spray function to moisten the clothes, this iron is also equipped with self-cleaning button that will remove impurities from the steam chamber to keep your product always clean and efficient.
