

G10112 RIACE 28 | ELECTRIC OVEN WITH CONVECTION

► DESCRIPTION

Cooking your favourite dishes with RIACE 28 by G3 Ferrari is fast and easy. Featuring an excellent internal volume of 28 litres, this unit can comfortably contain a 31 cm plate, ideal for preparing cakes and pies. Equipped with internal light, 120 minute timer, adjustable thermostat which can be set from 70 up to 230°C and three cooking functions (standard, grill and combo), it guarantees a big usage flexibility. In addition with RIACE 28 you will be able to cook even two courses at the same time thanks to the practical function of heat convection. The new technology of thermal insulation makes this oven at the same time efficient and safe against skin burn, thanks to the minimum heat dispersion and to the cool touch external surfaces.
