

## G20081 SAMURAI | MULTIFUNCTION CHOPPER

### ► DESCRIPTION

Samurai by G3 Ferrari is more than a simple chopper, and you will achieve excellent results in your kitchen, worthy of a chef: thanks to the 3 sets of stainless steel blades combined with the excellent motor power of 500 watts, you can choose if mince to perfection, finely chop or cut into small pieces a wide variety of ingredients. Inserting the basket and mounting the appropriate set of blades, you will be able to cut coarsely ingredients like vegetables, aged cheese, walnuts and more: just start the unit and, once the pieces reach the optimal size, they will fall automatically from the basket into the bowl, ready to be used for your best dishes. You will cut onions like a chef, and without any tear! Mounting the 2 high-speed stainless steel blades you will chop dried fruit, herbs and more, prepare fresh pesto, sauces and dressings, quickly and without dirtying your kitchen. Very easy to use, Samurai is also equipped with a 700 ml container completely removable and quick to clean, for maximum convenience.
