

## G10098 Profi-Crepe | CREPE MAKER

### ► DESCRIPTION

Unleash your imagination in the kitchen with Profi-Crepe. This crepe maker is perfect for preparing a mountain of pancakes, sweet crepes, classic "French style" or enriched with ingredients to taste, piadina, tortillas or eggs and bacon for a rich and nutritious breakfast or a quick and tasty lunch. It's fast and easy to use: just spread a thin layer of batter on the hot plate, turn it over and in just 2 minutes your crepe is ready! Equipped with a non-stick 30 cm plate, thermostat and operating lights, Profi-Crepe has a compact and space-saving design with cable reel at the base, is comfortable and lightweight and it can be stored vertically, for maximum convenience in the kitchen. Shovel and wooden spatula are included.
