

G10125 Friggisano | AIR FRYER

► DESCRIPTION

Cooking healthy, without sacrificing taste and saving energy? Absolutely! With our air fryer Friggisano you can prepare tasty and crispy fried food with up to 80% less fat! The rapid air circulation technology, in fact, allows you to cook with little or no oil, healthy and delicious food in minutes. But not only... The possibilities of cooking with Friggisano are many. You can also bake a cake, bake fish or vegetables and even roast meat! Thanks to its 8 preset programs, you can easily fry chips, onion rings, chicken, shellfishes, meat, fish without getting dirty in the kitchen. Equipped with a 60-minute timer, Friggisano features a removable non-stick basket with a capacity of 3.5 liters, ideal for cooking for the whole family and, to obtain perfect cooking on every occasion, the temperature can be adjusted manually from 82 to 200°C. For your convenience, Friggisano is equipped with a large digital display that allows you to check the settings at any time and even cleaning is a child's play! Simply use a non-abrasive sponge and hot water to clean after cooking.
