

G20095 PARMINO PRO | CHEESE GRATER

► DESCRIPTION

Parmino Pro is the easiest, fastest and most effective way to grate cheese without any effort, even in large quantities. Thanks to its wide feeding tube, in fact, it will not be necessary to pre-cut the cheese into small pieces! Equipped with an aluminium roller specially designed to grate fine and uniform cheese and to not leave any waste, Parmino Pro is made with extruded aluminium with anodic oxidation body and equipped with a comfortable handle that will help you when using the product. Among the accessories included, a practical glass tray with hermetic lid for collecting cheese that can be conveniently kept in the refrigerator. With its small size, it can be easily stored in the kitchen after each use and roll is dismountable for easy and complete cleaning. Parmino Pro is Made in Italy.
