

G10126 Ardòr | CONTACT GRILL

► DESCRIPTION

Thanks to the power of 1500 watts and to its 180° book opening, the Ardòr grill can be used either as a traditional sandwich maker for the preparation of tasty panini and American sandwiches or as a grill plate to grill fish and meat in a few minutes. Compact sized, this unit has operating and temperature indicator lights and is equipped with 2 non-stick 25 x 15.5 cm plates that guarantee natural, healthy and fat-free cooking.
