

G10129 Gratella XL | GRILL & BARBECUE

► DESCRIPTION

With Gratella XL you will be able to satisfy your desire to grill all year round, whether it's meat, fish or vegetables, with this electric barbecue you will always get great results. The wide cooking surface of 39 x 29 cm, is large enough to cook a meal for your whole family; the plate is made of non-stick material and allows both grill and barbecue function. The heating element integrated in the plate guarantees a cooking without bad smell and a perfect distribution of the heat, and with the help of the adjustable thermostat, you can cook any food perfectly and evenly. The tempered glass lid allows a protected cooking: you will be safe from splashes of oil and grease and you will be able to cook even with cold weather, because all the heat will be kept inside. This unit can be completely disassembled to clean it easily.
