

G20113 Pastaio 10&Lode | STAND MIXER WITH FLAT PASTA MAKER

► DESCRIPTION

The stand mixer Pastaio 10&Lode is a machine with planetary movement that will give you great results. It can work a big quantity of ingredients, thanks to the high motor power, to the metal gears and to the 6 working speeds. It will allow you to prepare many recipes: dough for pizza, pasta, cakes, biscuits and bread. Pastaio 10&Lode is multi-function and very helpful in the kitchen: easy to use and clean, grants great results with the hook to make hard dough, with the mixer for soft dough, and with the whisk for mounting and whipping. It also includes a flat pasta maker, and the other optional accessories give more and more options: grind meat, make fettuccine and spaghetti.
