

G30047 FORMULA ELEGANCE | ELECTRONIC PERSONAL SCALE

► DESCRIPTION

G3Ferrari electronic scales combine innovative technologies with original and modern design for a comfortable and easy use-experience. Formula Elegance is equipped with a dual-reading display, both analog and digital, evenly integrated into the bamboo platform. Automatic switch-on and switch-off functions ensure long life battery and ease of use: just step on the platform and wait for instant reading. Formula Elegance division ranges from 100g to 180kg and ensures a precise and reliable reading.
