

G10009 Idilio | KETTLE

► DESCRIPTION

Compact and elegant, Idilio has a maximum capacity of 1 litre, which makes it ideal for use in hotel rooms and bed & breakfast. This unite features an indicator that warns you when the kettle is in use and the easy to read water level indicator is placed on the jug, while the heating element is hidden in order to ensure greater security and maximum hygiene. This kettle can be lifted from its 360 degrees rotating base for easy filling, it can be placed in its seat in any direction without the obstacle of power cord and it's easy to use for both right and left handed users. Equipped with automatic shut-off once the water has reached the temperature, Idilio features an assisted lid opening, a convenient handle with safe to touch walls and an anti-drip spout with removable filter which always ensures an easy cleaning.
