

G30003 TextaPro | PROFESSIONAL HAIRDRYER

► DESCRIPTION

The hairdryer TextaPro combines a professional 2000 watt power AC motor with the latest ionic technology for drying & styling experience that provides great results without any effort: thanks to the powerful negative ions, this hairdryer is able to reduce frizz and to increase shine, making your hair more natural, healthy and well-hydrated. Equipped with two speeds and three temperature settings cater to all type of hair, whether thick or thin or wavy, curly or straight, with TextaPro you can easily get a voluminous frizz-free style and your hair will be soft as silk after each use.
