

G40601 Scivolo | STEAM IRON

► DESCRIPTION

The steam iron Scivolo by G3 Ferrari is equipped with stainless steel save-button plate with 185 micro-holes and 19 ducts for a better steam jet on the surface, which allows a perfect ironing even on stubborn creases. The thermostat is adjustable on different power levels which make it able to iron a wide variety of fabrics and even the most delicate as silk and linen will be perfect using Scivolo. Thanks to its 280 cc water tank, this steam iron can guarantee a long working time and no more unnecessary and long interruptions due to the refill of water in the boiler.
