

G30007 Texta Ionic | HAIRDRYER WITH IONIC FUNCTION

► DESCRIPTION

The hairdryer Texta Ionic features the latest ionic technology for drying & styling experience that provides great results without any effort: thanks to the powerful negative ions, this hairdryer is able to reduce frizz and to increase shine, making your hair more natural, healthy and well-hydrated. Equipped with two speeds and three temperature settings cater to all type of hair, whether thick or thin or wavy, curly or straight. The inlet air filter is removable for a convenient maintenance and the air concentrator is included.
